James F. Fitzgerald, Director, Audits Division, Office of Transportation and Property Management, Federal Supply Service, General Services Administration, Washington, DC, appearing for General Services Administration.

Col. Harry L. Dorsey, Staff Judge Advocate, Headquarters, Military Traffic Management Command, Alexandria, VA, appearing for Department of Defense.

DeGRAFF, Board Judge.

On October 11, 2001, Roadway Express, Inc. asked us to review the General Services Administration's (GSA's) decision to deduct \$1169.13 in connection with Government Bill of Lading transaction M1442535. In a letter dated November 6, GSA stated that it agreed with Roadway that the deduction should not have been made, and that it allowed Roadway's claim on October 9.

On November 7, the Board explained to Roadway that GSA's response leaves nothing for us to review regarding the deduction and that we would dismiss Roadway's claim unless Roadway explained by November 28, why we should review GSA's decision regarding the deduction. We heard nothing from Roadway by November 28.

We dismiss the claim as moot.
