ORDER

This appeal involved a claim seeking payment of Universal Service Fund (USF) charges under the Filed Rate doctrine. After this appeal was filed, the contracting officer issued a decision denying AT&T's Filed Rate doctrine USF claim in its entirety. As a result, GSBCA 15409 was filed; the Board consolidated that appeal with GSBCA 14932 and 15402. Appellant will prosecute all USF issues under the consolidated docket numbers and requests dismissal of GSBCA 15402. Respondent does not object to the dismissal. Pursuant to appellant's motion and Rule 128(a), this appeal is **DISMISSED**.
