In the Matters of US AIRWAYS

Lori Tully, Manager, Interline and Refund Accounting, US Airways, Winston-Salem, NC, appearing for Claimant.

James F. Fitzgerald, Director, Audit Division, Office of Transportation and Property Management, Federal Supply Service, General Services Administration, Washington, DC, appearing for General Services Administration.

HYATT, Board Judge.

On February 13, 2002, US Airways filed these claims with the Board requesting review of GSA's audit action in connection with alleged duplicate payments and overcharges. In a letter filed on March 27, 2002, US Airways withdrew its request for review by the Board and advised that it will redirect its review request to the Administrator of General Services.

Accordingly, these claims are dismissed.
