In the Matter of JAN S. DOUGHMAN

Jan S. Doughman, Yuma, AZ, Claimant.

Susan R. Sheely, Chief, Travel Management Branch, United States Geological Survey, Department of the Interior, Reston, VA, appearing for Department of the Interior.

BORWICK, Board Judge.

The United States Geological Survey, Department of the Interior, submitted to this Board a claim for Jan S. Doughman contesting the agency's refusal to reimburse her for mileage. The Board sent four separate letters requesting information from the parties. The information needed to analyze the merits of this claim was never submitted. The only letter received from claimant was submitted on May 19, 2000, requesting that the Board "drop this case." On July 10, the Board requested in writing that claimant call the Board by July 21 so that the Board could schedule a conference call to ascertain if claimant really desires a dismissal. Claimant did not respond. The claim is dismissed.
